

## Media Release

# Information session to highlight support for East Arnhem businesses

17 June 2015

FOR IMMEDIATE RELEASE

DEAL will feature at a business lunch to be held at the Arnhem Club, this Wednesday 24 June 2015 from 12pm.

"There are a growing range of industry support initiatives available to businesses in East Arnhem Land, and this event will be a fantastic opportunity to highlight some of the programs," said Ms Carley Scott, CEO of Developing East Arnhem Limited. Ms Scott will join the representatives from the Northern Territory Government at the event. "The East Arnhem Economic Development Fund will open on 15 July 2015, and is just one of the many great programs available to support the growth of local industry," said Ms. Scott.

"Providing structured, practical support is a real focus for DEAL," said Ms. Scott. With a growing focus on developing northern Australia and increasing number of people dedicated to helping business in the region, it is an opportune time to host an industry information session that clarifies the range of support programs.

The industry information session is being hosted by the local Chamber of Commerce and is open to all businesses in East Arnhem Land. For more information on the session, contact the Chamber on 8987 1985.
