DEVELOPING
EAST ARNHEM

I acknowledge that DEAL, as part of the evaluation process, will do a media search and may, if I am successful, undertake a credit check. By submitting this Application, I hereby give permission for DEAL to carry out such searches and contact people as necessary to evaluate this.

Before starting to fill out this form, do you have:

- An Australian Business Number**
- A separate bank account for your business**
- Resume**
- A Cashflow Statement**
This document sets out when you will get money, and when you will pay money to people. If you don't have one, DEAL can direct you to somebody who can help you with this.
- A business plan or project plan**
 A Business Plan will detail how you will run your business like:
 - Who you will sell things to
 - How do you expect your business to grow
 - Experience that you have that will help your business to succeed.
 A project plan will say how you expect to complete this project or start your business.
